

ADDRESS

Wednesday 7th May 2008

Dear

Community Walkabouts

Havebury is always looking to ensure that the areas around your homes are in the best possible condition, so they really are places where you are proud to live!

That's why we would like to invite members of the Tenants' Forum and Youth Forum to join our 'Community Walkabouts'. Representatives from the Safer Neighbourhoods Teams, the Council and Residents Associations are also invited with our residents to walk around each of our main housing areas, to look at their condition and discuss any improvements which could be made. These could be something as straightforward as removing a fly tip or larger projects such as replanting a shrub bed.

Below is a timetable of the walkabouts planned for the remainder of the year. If you would like to attend any of these dates please contact the Neighbourhood Team on 01440 718423. Places are limited and will be allocated on a first come basis.

Yours sincerely,

Sarah Edison
Communities & Tenants Advisor
